

## Musical Theatre Gisborne

*From the President...*

### ***Hello to you all,***

*After the whirlwind that was 'Hairspray', from starting off with Director Rob Hickey, to then being directed by Bryan Aitken, it snowballed into one amazing production, almost selling out for five performances. It was the biggest thing Gisborne has seen for many years! Thanks to all involved. To Bryan Aitken to jumping into the hotseat and delivering such a fine show. To Chris Reynolds and Tessa Beattie and all the production team, cast and crew, we applaud you on one truly amazing experience.*

*To our members and the public of Gisborne thank you for supporting us. We look to you continuing to do so by attending our future shows.*

*We are well now into rehearsal for 'Aladdin' our third pantomime, directed by Paula Hatten. It promises to be an excellent show, as everyone is working to make this another great success. As you can see, tickets are on sale at Stephen Jones Photography.*

*I look forward to seeing you all at 'Aladdin' and to our shows next year.*

*Keep calm and theatre on!*
