## Musical Theatre Gisborne

Hello to you all,  
After my second term of three years as President it is with pleasure I have handed over to Heather Derby. As I step into the Vice President's role I am confident Heather and I, along with the Committee, will continue to promote Musical Theatre Gisborne.

*Peter*

### **From the President,**

Greetings to all MTG members. I am excited to continue a new year as a committee member and also now as President for MTG. We are working hard at rehearsals for Footrot Flats and are already having lots of laughs with such a funny script. The show is well cast with capable singers and actors in each role, under the Directorship of Teresa Campbell. Next month we are having a fun 'Bingo' night at the clubrooms on the 12<sup>th</sup> May. Why not ask your work-mates and/or friends to form a team of six and support the evening? It's also a great chance to reconnect with your Musical Theatre friends.

Yours in Musical theatre.

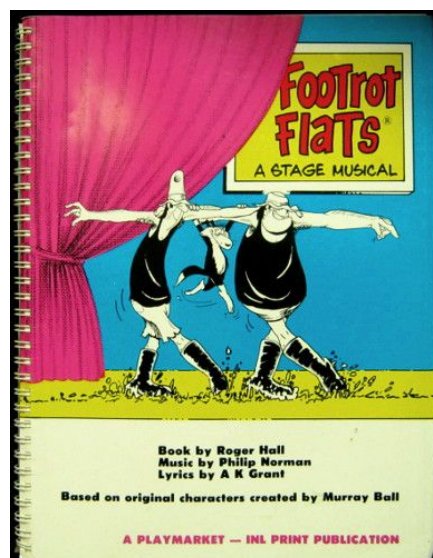

*Heather*

## **Footrot Flats – The Musical** **18 - 21 July at War Memorial Theatre**

Footrot Flats is directed by Teresa Campbell. Written by Roger Hall it truly is a celebration of the quintessential NZ bloke and his dog. It is a fitting tribute to the late Murray Ball, Gisborne resident, from MTG.

*See you soon!*
