ANNIE. I met Ezekial Young from Salt Lake City about two years ago and he told me he was single and we hit it off right away. So, we started living together. He'd go to work, he'd come home, I'd mix him a drink, we'd have dinner. Well, it was like heaven in two and a half rooms. And then I found out, "Single" he told me? Single, my ass. Not only was he married oh, no, he had six wives. One of the Mormons, you know. So that night, when he came home, I mixed him his drink, as usual. You know, some guys just can't hold their arsenic.
